

America SCORES Coach Background Check FAQ

Who has to get fingerprints and a background check? – All America SCORES coaches must pass a background check in order to work with our poet-athletes.

When do I have to have the fingerprints done by? – Please have your fingerprints done by Tuesday, August 28th. It takes about a week for us to get the results. This will give us enough time to get the results before programming begins. If we do not have the results before the first day of programming a SCORES staff member will have to attend your coaching practices until we receive the results.

Where do I get the fingerprints done? – America SCORES is working with FastFingerprints to complete background checks.
