“Kindness”

Kindness is a 13 year old
She is also wears a pink top and a light pink skirt
Kindness is really scared of
all the bully’s in the world
Her favorite thing to eat is cake with everything pink.
Her favorite thing to do is be kind to people
And go to a really lovely place.
Kindness lives in a really lovely house
that is really pink.

“Rude”

Rude doesn't like friends or family
Rude says “Shut Up!” to his mother.
Rude is 14 years old and he wears a
plaid jacket and ripped jeans
He has an angry face and a pig nose
He flies with invisible wings to the sound
of an electric guitar
Rude sounds like the troll under the bridge
Rude smells like a dumpster
Rude eat jalapenos every night
He even brushes his teeth with them!
Naked mole rats scare him
Rude lives underground in peoples' souls
He listens to Bad Bunny in a secret room.
Rude makes you clean the floor with your shirt
And he doesn't even pay you!
When Rude walks in the room,
Everyone,
Obeys!

They even drink their poison!

Toxic speaks with a deep, raspy voice.

Toxic wears all-black clothes with acid-green eye shadow.

They use spoiled milk as their cologne.

They are afraid of determined people who

are as deep as the ocean.

They make you angry when they talk behind your back.

home who loved them.
