

Teamwork Poems

“We are a Team”

We are a team,
A team helps each other, when we help
each other we can do hard things
Be kind, respectful, and trust your teammates
Even when we mess up, we can always try again.
We work hard together so that we can get better
We are a team

Our team is just like a pizza, all of us represent a different topping
All of the different toppings all have different flavors
But when we come together we can make a really good pizza
Sometimes we get knocked down, but we always get back up
We are a team

We run, kick, jump, and practice because we like to win
We work together side by side
I help you, you help me
We believe in each other even though we have our differences
We are a team.

"Soccer is Life"

A soccer team is what we are,
Blocking the ball so they don't score.

Cheering on,

Down the field we go.

Excitement and teamwork,

Friendships that we have made,

Guarding the goal so they don't score.

Helping each other out,

I am a soccer player.

Jumping, running, blocking,

Kicking the ball down the field.

Loving what we do,

Moving all around,

Never giving up.

On the field is where we will be.

Practice to improve,

Quick to kick the ball.

Remember, it is not about winning, but being a team

Soccer is our passion.

Teamwork is what it's about.

Ultimate winning goal,

Victory and beyond.

We can do this as a team.

X-cellent job

Yippity Yay

Zippity zip, make that goal!!!
