ABOUT THE EVENT

Inspired Art is a unique collaboration of artists and Cleveland youth. Inspired by poems written by America SCORES Cleveland poet-athletes, artists create and donate their original works for a benefit silent auction to support the SCORES mission. All event proceeds benefit SCORES' work to provide quality programming to Cleveland youth.

Saturday, June 3
6 p.m.

78th Street Studios
1300 West 78th St.
Cleveland, OH 44102

America SCORES Cleveland (SCORES) inspires youth to lead healthy lives, be engaged students, and have the confidence and character to make a difference in the world.

Through a unique tri-curricular approach of soccer, creative writing, and service-learning, SCORES empowers Cleveland's 1st-8th graders to cultivate healthy minds, bodies, and communities.

In addition to the opportunity to network and bid on quality art work, event guests will enjoy drinks and hors d' oeuvres while browsing creative exhibits and listening to inspirational poetry performances by Cleveland students.

Through Inspired Art, poet-athletes witness their creativity brought to life, artists connect with their community, and supporters experience first-hand the profound impact these children's words can have on others.

What is a poet-athlete?

A poet-athlete is someone who is physically healthy, emotionally strong, and has the skills, the platform, and the inclination to speak up and stand up against injustice. Poet-athletes are thriving children. They grow up to be thriving adults: activists, mentors, leaders, and agents of change.
